

Tirupati Power Enterprises

Electrical supply since 1991

Industrial electricals. One sourcing partner.

PRODUCT CATALOGUE / OCTOBER 2026

Electrical suppliers and stockists. Custom panel manufacturing.

193 product types | 19 product families | 26 online categories

Founded in Kolkata in 1991. Sourcing for maintenance, industrial projects and electrical procurement across India.

Tell us what you need.

One item, a replacement part or a mixed requirement – share your specification with our team.

01 Share your requirement

Send product/part number, ratings, quantity, preferred make and delivery location. Include your RFQ, BOQ, drawing or nameplate photo where available.

02 Review your line-by-line quote

Check specifications, makes, availability, pricing and lead time before confirming the order.

03 Source and deliver

We arrange the agreed supply, documentation and dispatch. Our team provides ongoing support and sourcing for your next requirements.

Servo Controlled Voltage Stabilizers (upto 500 KVA)

[View product / request a quote](#)

Transformers & Power Supplies

14 product types | 13-14 | Reference pictures; confirm make and model in your quote.

Variable Voltage Auto Transformers

[View product / request a quote](#)

Welding Transformers

[View product / request a quote](#)

Switchgear & Protection

16 product types | 1-6 | Reference pictures; confirm make and model in your quote.

ACBs

[View product / request a quote](#)

Cam Operated Rotary Switches

[View product / request a quote](#)

Contactors & Overload (O/L) Relays

[View product / request a quote](#)

DOL Motor Starters

[View product / request a quote](#)

Distribution Boards (DB, MBPR)

[View product / request a quote](#)

Electronic Timers

[View product / request a quote](#)

Switchgear & Protection

16 product types | 7-12 | Reference pictures; confirm make and model in your quote.

HRC Fuses, Fuse Links & Fuse Holders (DIN/Bolt type)

[View product / request a quote](#)

Industrial Plugs & Sockets

[View product / request a quote](#)

Isolator Switches

[View product / request a quote](#)

Limit Switches

[View product / request a quote](#)

MCBs / MCCBs / ELCBs / RCCBs

[View product / request a quote](#)

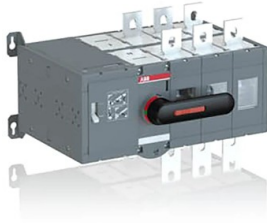

Motor Starters — Manual, DOL, Reversing, Star Delta (Manual & Automatic)

[View product / request a quote](#)

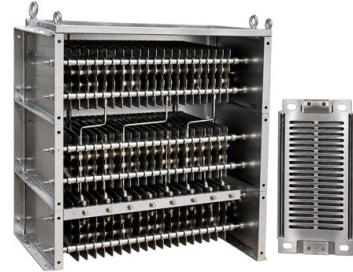

Switchgear & Protection

16 product types | 13-16 | Reference pictures; confirm make and model in your quote.

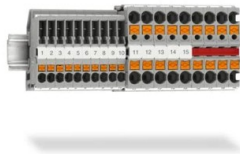

Onload / Offload C/O Switches, Cubicle Load Break Switches, Motorised C/O Switches

[View product / request a quote](#)

Punched Grid Resistors, Solenoids & AC Brakes

[View product / request a quote](#)

Rail/PCB Mounted Terminals

[View product / request a quote](#)

Solid State Relays

[View product / request a quote](#)

Cable Jointing & Accessories

15 product types | 1-6 | Reference pictures; confirm make and model in your quote.

Aluminium Cable Lugs

[View product / request a quote](#)

Bimetallic Cable Lugs

[View product / request a quote](#)

Cable Glands — Single & Double Compression, Brass, Nickel Plated

[View product / request a quote](#)

Cable Lugs & Sockets (Copper, Aluminium, Bimetallic — Tubular Crimping)

[View product / request a quote](#)

Cable Trays

Electrical Insulating Materials

11 product types | 1-6 | Reference pictures; confirm make and model in your quote.

Cloth: Fibre Glass (varnished & unvarnished), Empire, PVC, Plumbing, Teflon

[View product / request a quote](#)

Compounds: Cold Filling Compound (HT & LT, all cable types)

[View product / request a quote](#)

Domestic & Industrial Paints & Chemicals

[View product / request a quote](#)

Nomex Electrical Insulating Paper

[View product / request a quote](#)

Papers: Leatheroid, Pressphan, Polyester Film, Nomex, Manila Insulating Craft Paper, Triplex Paper (Class E), Kapton Film, Mica Paper, Crepe Paper (Class F & H)

[View product / request a quote](#)

Rods: Bakelite, Teflon, Red Fibre, Ebonite, Soldering Sticks, Alcapi

[View product / request a quote](#)

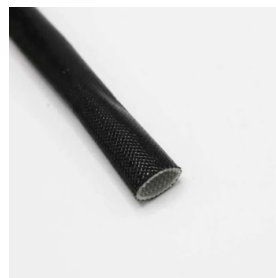

Electrical Insulating Materials

11 product types | 7-11 | Reference pictures; confirm make and model in your quote.

Sheets: Bakelite, Red Fibre, Acrylic, Ebonite, Prespan, Triplex, Teflon, Glass, Mica, Syndanio

[View product / request a quote](#)

Sleeves: Empire, Silicon, Fibre Glass (varnished & unvarnished), Cotton, PVC

[View product / request a quote](#)

Tapes: PVC (adhesive & non-adhesive), Empire, Fibre Glass, Cotton, Rubber, Black Adhesive, Teflon, Asbestos, Mica, Polyester, HT Bitumen, Manila Paper, Nomex, Crepe Paper, Resi-Glass Bonded (HT & LT)

[View product / request a quote](#)

Tubes: Bakelite, Ebonite, Micanites

[View product / request a quote](#)

Varnishes: Air Drying / Air Clear Insulating Varnish, Banking Varnish, Silicon Varnish, Casting & Laminating Resins, Hardeners (Class B, F & H)

[View product / request a quote](#)

Testing & Measuring Instruments

36 product types | 1-6 | Reference pictures; confirm make and model in your quote.

AC / DC High Voltage Test Sets (incl. Combined AC & DC)

[View product / request a quote](#)

AC High Voltage Spark Tester (Cable), Spark Tester (Insulated Lining)

[View product / request a quote](#)

AC Voltage Current Standard

[View product / request a quote](#)

AC/DC High Current Low Voltage Test Sets

[View product / request a quote](#)

AC/DC Injection Test Set

[View product / request a quote](#)

Battery Charger (for testing applications)

[View product / request a quote](#)

Testing & Measuring Instruments

36 product types | 7-12 | Reference pictures; confirm make and model in your quote.

Cable Fault Detector

[View product / request a quote](#)

Current & Potential Transformer Test Sets (incl. Automatic CT/PT Test Set)

[View product / request a quote](#)

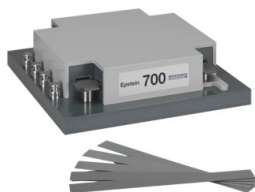

Digital Timer Interval Meter

[View product / request a quote](#)

Double Frequency Double Voltage Test Set (Distribution & Power Transformer)

[View product / request a quote](#)

Epstein Apparatus (Core Loss Analysis)

[View product / request a quote](#)

General Purpose Testing Set

[View product / request a quote](#)

Testing & Measuring Instruments

36 product types | 13-18 | Reference pictures; confirm make and model in your quote.

Gloves Test Set

[View product / request a quote](#)

HV Regulated Power Supplies

[View product / request a quote](#)

HV Surge Comparison Tester / Surge Generator / Thyristor Thumper

[View product / request a quote](#)

High Voltage Measuring Device & Potential Dividers

[View product / request a quote](#)

High Voltage Vacuum Tester / Oil Insulation Test Set (Automatic & Manual)

[View product / request a quote](#)

Hot Line Indicator

[View product / request a quote](#)

Testing & Measuring Instruments

36 product types | 19-24 | Reference pictures; confirm make and model in your quote.

Impulse Voltage / Current Generator

[View product / request a quote](#)

Insulation Resistance cum Polarising Index Test Kit

[View product / request a quote](#)

Micro-Ohm Meter / Low Resistance Measuring Bridge

[View product / request a quote](#)

Millivolt Drop Test Set

[View product / request a quote](#)

Motor Test Bench

[View product / request a quote](#)

No Load & Load Loss Measuring Set (Transformer)

[View product / request a quote](#)

Testing & Measuring Instruments

36 product types | 25-30 | Reference pictures; confirm make and model in your quote.

Partial Discharge Test Set

[View product / request a quote](#)

Phantom Load Test Kit / Meter Test Bench (1 & 3 Ph. kWh Meter)

[View product / request a quote](#)

Phase Shifting Transformer / Phase Angle Meter

[View product / request a quote](#)

Pin Hole Tester

[View product / request a quote](#)

Power Thyristor Test Jig / PIV Tester for Diodes / Forward Drop Test Set (Silicon Diodes) / SCR Test Kit

[View product / request a quote](#)

Precision Grade CT & PT

[View product / request a quote](#)

Testing & Measuring Instruments

36 product types | 31-36 | Reference pictures; confirm make and model in your quote.

Relay Test Set (incl. Secondary & Primary Injection Test Sets)

[View product / request a quote](#)

Special Transformers & Inductors — X-Ray, Isolation, Cast Resin, Oil/Air Cooled LT & HT Transformers, CT & PT

[View product / request a quote](#)

Sphere Gap Assembly

[View product / request a quote](#)

Tan-Delta Test Set (HV Equipment & Insulating Oil)

[View product / request a quote](#)

Transformer Turns Ratio Meter (1 & 3 Phase)

[View product / request a quote](#)

Variable Frequency Power Source (Frequency Relay Test)

[View product / request a quote](#)

Capacitors & Power Quality

6 product types | 1-6 | Reference pictures; confirm make and model in your quote.

APFC Relay Panels (Thyristorised & Conventional)

[View product / request a quote](#)

Automatic Power Factor Controllers

[View product / request a quote](#)

HT Capacitor Systems (upto 66KV, IS 13925)

[View product / request a quote](#)

Harmonic Filters (THD Control)
